

Product data sheet

Power supply 12 V, for rail mounting

Reference number

NT 1220 REG VDC

Power supply for rail mounting

for eNet master receiver ref.-no.: FM FK 32 REG

Rail mounting device, 2 rail units

Technical data

Input voltage:	AC 100 ... 240 V ~, 50/60 Hz
Input current:	505 mA
Output voltage:	DC 12 V
Output current:	2 A
Mounting width:	36 mm (2 rail units)
Connection:	screw terminals
